## Extend Your Hockey Career at DePaul

Are you looking to extend your hockey career while getting your college degree? You should give DePaul some serious consideration. Year after year, the DePaul Hockey Club continues its move up the rankings of the ACHA Central Division. As of mid-February 2012, the team has achieved a 3rd place ranking while putting together an impressive record of 24-0-3, which is the highest winning percentage in DePaul history.

If you choose to join the rich tradition of college hockey at DePaul University you'll extend your hockey career playing in the biggest college hockey league in the country. The DePaul Hockey Club plays in the very competitive ACHA (American Collegiate Hockey Association) which is comprised of over 400 hockey teams from universities throughout the country.

DePaul plays a full game schedule of 30 games or more, travelling all over the country in style – all for less than it costs to play in most youth travel programs. We offer one of the best coaching staffs in the country and an organized management system that will give you an excellent college hockey career as you attend a world-class university.

The team is sponsored by DePaul University as well as private and corporate sponsors which keep players fees to a minimum. DePaul plays home games at North Shore Ice Arena in Northbrook. The rink offers a state-of-the art facility including a private DePaul locker room rivaling that of many NCAA D-1 programs.

Over the years, DePaul has attracted players from all over the world with talent ranging from grad students who played D-1 in the NCAA, to juniors, triple A and students who led their high school teams. They've all enjoyed a chance to play the world's greatest sport, attending school in one of the most famous neighborhoods of a world-class city as they earn a degree at one of the the nation's most prestigious schools. What better way to spend your college years?

So, what are you waiting for? Contact us immediately to learn more about tryouts and academics opportunities.
